Have You Ever Used Turnitin?

If you've used Turnitin before, you can use the same email and password to log in. You can keep all your papers and grades together, even if you're now in a different class or a different school.

Email address

Password (Login to Turnitin)

Forgot your password? Click here.

Create a New Account

Please select whether you will be using the service as an instructor or a student.

Student

Instructor

Teaching assistant

Login

4. You need to enter your registration details. The first two fields "**Class ID**" and "**Class enrollment key**" are given by your instructor.

Turnitin

Create a New Student Account

Class ID Information

All students must be enrolled in an active class. To enroll in a class, please enter the Class ID and the Class Enrollment Key that you are given by your instructor.

Please note that the information you are entering applies to the class you are enrolling in.

Class ID

Class enrollment key

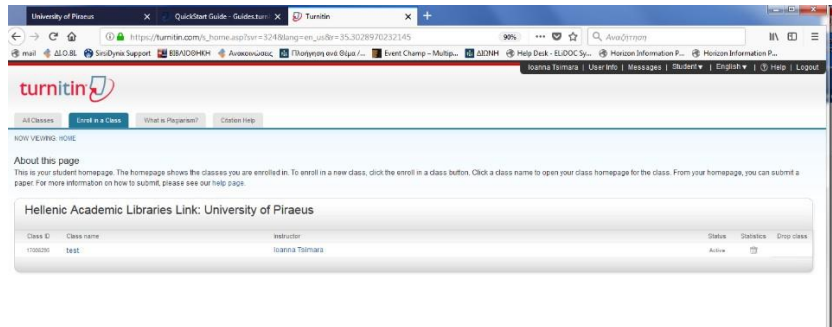

User Information

Your first name

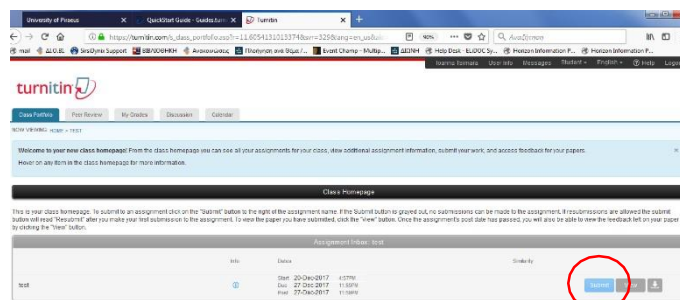

Your last name

5. After you have filled in all the details and the registration is complete, the next screen shows the class you will upload your paper.

6. Click on the class name and press the 'Submit' button to upload your paper.
