

The opportunity

Are you a Graduate who is ready to make an impact and build a career in **Consulting**?

We are looking for you!

Our **Financial Services** team assists financial institutions in diverse areas, including financial and operational performance improvement, business model transformation, risk management, strategy and regulations. Our clients are commercial and retail banks, insurance companies, investment firms and regulators.

Our **Sustainability & climate change team** helps organisations plan, source, deliver, finance and measure the wider impact of products and services. The team of specialists is helping to future-proof businesses by making them more resilient, agile and sustainable. The practice provides guidance on a wide variety of issues, working with clients from the corporate, private equity and public sector.

Our **Business Strategy** team designs strategies and helps organisations to materialise their business and operational objectives and to manage their financial and regulatory risks. Our team combines industry knowledge, subject expertise and extensive experience in business strategy formulation, strategic and business planning, corporate strategy, portfolio strategy and organic growth. Our clients are the largest and most complex companies from all industries.

Do you have what it takes?

- Excellent academic records from a Greek or foreign university (Bachelor's or Master's degree) relevant to any of the following areas: Finance, Banking, Risk Management, Business Administration, Mathematics, Statistics, Engineering, Economics, Management Science or relevant discipline.
- A relevant professional qualification (CFA, ACCA, ACA) will be highly regarded
- Up to 1 year of working experience
- Problem solving skills and passion about challenges
- Confident and positive attitude
- Commitment to providing excellent quality work and building client relationships
- Advanced collaboration skills
- Fluency in both Greek and English
- Military obligations fulfilled for male candidates
