

## **The opportunity**

Are you a Graduate who is ready to make an impact and build a career in **Technology Consulting**?

## **We are looking for you!**

Our diverse team of software developers and business analysts work together to deliver innovative, technology driven end-to-end solutions that automate, enhance and optimise business processes. If you want to harness your knowledge and experience to ignite meaningful change through technology, join our team and start creating with us.

## **Your day-to-day role**

- Participate on the technical analysis of the project's functional requirements
- Cooperate with the software development team on tasks implementation
- Full stack programming
- Contribute on testing the solution
- Systems maintenance

## **Do you have what it takes?**

- Excellent academic records from a Greek or foreign university (Bachelor's and/or Master's degree) relevant to any of the following areas: Computer Science, Software Engineering or relevant discipline.
- Up to 1 year of working experience
- Problem solving skills and passion about tech challenges
- Confident and positive attitude
- Commitment to providing excellent quality work and building client relationships
- Advanced collaboration skills
- Fluency in both Greek and English
- Military obligations fulfilled for male candidates

## **What's in it for you**

PwC is all about people, encouraging high performance and quality. At PwC, you will have:

- Continuous training and career development opportunities whilst learning from a wide range of top professionals
- The chance to handle different projects for big clients
- Access to a global network of firms and global mobility opportunities
- Life and medical plan, rewards and recognition schemes, mobile phone device, flexible working program, bus service etc.

## **Who we are**

PwC in Greece is the largest professional services firm in the country, with premises in Athens and Thessaloniki and approximately 1200 employees. More than 284,000 people in 155 countries across our network share their thinking, experience and solutions to develop fresh perspectives and practical advice. This enables us to provide top-quality industry-focused **assurance, tax and advisory services** to our clients.

Don't miss the opportunity to develop yourself and grow your career in the global leading professional services firm in Greece.
